# multi-surface polish

delphis  
eco

Our multi-surface polish cleans, polishes, preserves, and protects all hard surfaces. It contains anti-static agents to pick up dust and cleansers to clean without smearing. Leaves a lasting pleasant aroma.

## benefits

- ✓ for domestic and industrial use
- ✓ safe on all hard surfaces
- ✓ reduced use of hazardous substances
- ✓ phosphate and phosphonate free
- ✓ safe in septic tanks if used as directed
- ✓ readily biodegradable
- ✓ not tested on animals

## application and directions

Shake well before use and spray sparingly directly onto surface. Wipe off immediately with a soft dry cloth and buff to a lustrous clean and shiny finish. For hard to reach areas, spray directly onto a cloth and dust as normal.

## areas of usage

Safe on all hard surfaces including:

- wood
- veneer
- laminate
- stainless steel
- formica
- glass
- chrome
- paintwork
- plastic

## safe handling and storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
