

Shield Limescale Remover

Heavy duty limescale remover for washrooms

Benefits

- Powerful acid formulation with excellent descaling properties
- Restores shine to washroom surfaces
- Effectively cuts through grime
- Odour Neutralising Technology to remove odours
- Leaves a fresh fragrance, eliminating unpleasant odours
- Can be used neat for periodic removal of limescale or diluted for a daily clean
- Ideal for large areas
- Safe to use on Stainless Steel

Description

Shield Limescale remover's acid based formula has been designed to swiftly remove grime and limescale from most washable surfaces in toilets, washrooms, showers, changing rooms and swimming pools.

The Odour Neutralising Technology neutralises the unpleasant odour molecules, leaving a fresh, long-lasting fragrance, providing a constant reminder that surfaces are clean and safe.

Suitable for periodic or daily use.

Available in easy to use 1 litre bottle with directional nozzle or for larger areas in 5L bottle.

Do not use on marble, terrazzo or enamel surfaces.

Wear suitable personal protective equipment

For daily cleaning and limescale prevention

- Dilute 1 part Limescale Remover to 10-100 parts hand warm water according to the level of soilage.
- Apply solution using a damp sponge, cloth or mop.
- Leave for 5 minutes to work on limescale and stains.
- Rinse well and allow to dry.

For removal of limescale and heavy soil

- Apply undiluted to the problem areas.
- Leave for 5 minutes to work on limescale and stains.
- Rinse well and allow to dry.
