

Domestos Professional Original

Bleach

Description

Domestos Professional Original prevents limescale and kills all known germs.

Key properties

Domestos Professional Original's thick formula clings better for lasting protection. Due to the advanced **Domestos Professional Original** formula it prevents limescale. **Domestos Professional Original** can be used in lavatories, drains, sinks and large surfaces such as floors and work surfaces. Do not use neat on floors or work surfaces. Always use a plastic container.

Domestos Professional Original is suitable for use in septic tanks. **Domestos Professional Original** provides a complete protection from germs including salmonella, E-coli and listeria.

Benefits

- Thick formula clings better for lasting protection
- Has advanced Domestos Professional bleach formula
- Prevents limescale
- Kills all known germs

Use instructions

Use neat:

1. Lavatories: Apply onto toilet bowl and leave overnight to kill germs and remove stains.
2. Kitchen/Bathroom drains - pour into drain to disinfect and eliminate unpleasant smells.
3. Sinks - pour into plugholes and overflow, leave for 2-3 minutes, then rinse thoroughly.

Use dilute to clean

1. Floors and work surfaces - refer to table for dosing instructions.
2. Dishcloths and sponges and cold bleaching - half the dilution for overnight soaking.
3. Rinse after use.
