# heavy duty degreaser

delphis  
eco

Our heavy duty degreaser is a powerful, industrial strength cleaner. It uses a combination of naturally derived vegetable extracts and powerful surfactants to offer the benefits of a solvent product with the health and safety considerations of a detergent.

It easily cuts through heavy grease, grime, oil, fat and ink from hard surfaces to leave them clean and shiny. Ideal for walls, floors, food preparation areas, engines, machinery and industrial equipment. Scan the QR code below for more info.

## benefits

- ✓ for domestic and industrial use
- ✓ easily removes soiling
- ✓ safe on paint, aluminum, metal, glass, rubber
- ✓ effective in hard and soft water
- ✓ hot or cold pressure washers and scrubber dryer machines
- ✓ reduced use of hazardous substances
- ✓ phosphate and phosphonate free
- ✓ safe in septic tanks if used as directed
- ✓ readily biodegradable
- ✓ not tested on animals

## dilution ratios

Tested and effective, through certain applications, at a dilution ratio of up to 1:200.

**General cleaning:** 1 part concentrate to up to 50 parts water.  
**Light cleaning:** 1 part concentrate to up to 80 parts water.  
**Heavy cleaning:** 1 part concentrate to up to 10 parts water.

**Proper dosage saves cost and minimises environmental impact:** Delphis Eco encourage users to reduce waste going to land fill by re-filling empty trigger bottles with Heavy Duty Degreaser concentrate. Use the above dilution ratios for best results.

## application and directions

**Manual cleaning:** Apply a small amount to a damp cloth and wipe surface. For heavy cleaning spray directly onto surface, leave to stand and wipe clean. For larger surface areas such as floors, use a mop and bucket. **Machine cleaning:** Dilute up to 1:200 parts water via pressure washer or scrubber dryer machine. Adjust dilution to maximise results. **Ink removal:** Use neat or dilute depending on soiling. Apply with a brush or swab. Rinse with clean water. **NB.** For food preparation and storage surfaces rinse with water after cleaning.

## areas of usage

Anywhere heavy soiling and grease is a problem, such as:

- floors, walls, tiles
- kitchen appliances
- stainless steel work surfaces
- food preparation areas
- polished surfaces
- worktops and desks
- garages tools
- vehicles and engines
- machinery and industrial equipment
- soft furnishing – carpets and curtains
- glass

## technical data

Figures are typical values and should not be used as specifications

<b>Appearance:</b>	pale clear fluid
<b>Odour:</b>	bland
<b>pH-neat:</b>	12.5 typical conc / 7.0 typical RTU
<b>Boiling Point:</b>	100°C
<b>Flammability:</b>	non-flammable
<b>Water solubility:</b>	soluble
<b>Relative Density:</b>	1.010 typical conc / 1.0 typical RTU
<b>Freezing point:</b>	0°C

## safe handling and storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.

## supplier information

**Product Name:** Heavy Duty Degreaser  
**Product Code:** DGR007DEL01R (750ml RTU)  
DGR050DEL01C (5ltr conc.)

**Supplier:**
