EU Master SAFETY DATA SHEET (2001/58/EC)

Reference: RQ0910256

PAnumber: PA00165098 Issue date: 02/02/2010 Valid until superseded

6. Accidental release measures	Avoid spillage into sewers or surface water. For large spills: pump into plastic containers and rework/dispose as per local legislation. For small spills: use non- combustible absorbant and shovel into container for disposal.		
7. <u>Handling and storage</u>	Store in a cool and dry area.		
8. Exposure controls / Personal protection	Not a hazard in normal use. No personal protective equipment required.		
9. <u>Physical and chemical properties</u>	Appearance:blue-green liquidOdour:perfumedpH (neat):8Flammable:NOExplosive:NOOxidizing:NORelative density (g/ml):1.07Water solubility:High		
10. Stability and reactivity	Stable under normal conditions.		
11. <u>Toxicological information</u>	Not acutely toxic; may cause vomiting. If very large quantities are ingested, symptoms of alcohol-like intoxication may be observed; treat symptomatically. Do not induce vomiting. If irritant effects are seen, these will be mild to moderate, depending on exposure. If in contact with eyes flushing with water is recommended. Estimated acute oral toxicity: LD50 (rats) > 2g/kg Eye irritation: Slightly irritating to eyes Skin irritation: Slightly irritating to skin Chronic toxicity: Repeated exposure to low levels (e.g. on fabrics or diluted in washing water) will not cause adverse effects Contact sensitization: Does not provoke a sensitization reaction		
12. Ecological information	The product is intended for wide dispersive use and is compatible with the down-the-drain disposal route. The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment. The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation EC/648/2004 on detergents.		
13. Disposal considerations	Consumer products ending up down the drain after use. Observe safe handling precautions and local legislation.		
14. Transport information	Not subject to ADR/IATA/IMDG codes.		
15. <u>Regulatory information</u>	This product is not classified as dangerous according to EU Directive 1999/45/EC and national laws. All substances in the preparation are registered in the EU. Ingredients: 5-15% Anionic surfactants, Non-ionic surfactants, Soap; <5% Phosphonates; Optical brighteners, Enzymes, Perfumes, Alpha-Isomethyl Ionone, Butylphenyl Methylpropional.		
16. Other information	This product does not require any special training before use. Usage and handling instructions are mentioned on package and on this Material Safety Data Sheet.
