DELPHIS*

*eco PROFESSIONAL CLEANING

Our pH balanced (5.7) Hand Soap produces a luxurious creamy lather to remove ingrained dirt and grease to leave your skin feeling clean, soft and conditioned.

Benefits

- ✓ **Free from:** Formaldehyde, EDTA's, Fragrance and Dye, Alkylphenol Ethoxylates (APEs)
- ✓ pH balanced - 5.7
- ✓ Contains moisturisers
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Readily biodegradable
- ✓ Not tested on animals

Application and Directions

Wet hands thoroughly. Apply a small amount onto hands. Massage into the palm then over front and back of both hands taking care to work well into webs and cuticle area. Ensure both hands are fully treated.

Rinse with clean water and towel dry. Where water is not readily available rub well into hands and dry using a towel or tissue. Repeat the process on a regular basis.

Proper dosage saves cost and minimises environmental impact:
Delphis Eco encourage users to reduce waste going to land fill by recycling empty bottles.

Areas of Usage

- Hands
- Forearms

Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
